

HERITAGE
CLASSICAL STUDY CENTER

2025-2026 Information Packet

Accredited with Quality by the Georgia Accrediting Commission, Heritage Classical Study Center is an **independent and private Christian study center**, providing a classical and Christian supplement to home educators at the middle and high school levels. Heritage is a unique learning experience designed to support homeschooling families by molding students into thinkers - young men and women who do not simply regurgitate the information they have been fed but rather who analyze, critique, and affect the world by applying Biblical wisdom to their lives, families, and communities. Our students attend in-person classes one day a week, where they engage in rigorous, discussion-based lessons led by experienced instructors. The rest of the week, they continue their studies at home, guided by a carefully structured curriculum.

Our program emphasizes a classical education model, which means we focus on core humanities subjects—**History, Literature, Composition, Logic, and Classical Languages**.

At Heritage, we seek not just knowledge, but understanding and wisdom as well. Knowledge is "knowing the answer." Understanding is knowing why it's the answer. Wisdom is applying the understanding of truth to one's life in a godly fashion. It is our goal that Heritage students learn to THINK, Biblically and logically. The Heritage student is taught to be a lifelong learner of new information, to consistently evaluate and critique relevant issues, and to always seek skillfully to communicate his thoughts. We desire for all students at Heritage to learn factual and philosophical truth, learn to evaluate the messages they are receiving from the world around them, and learn to defend their beliefs in a persuasive and winsome manner.
